

## *Proclamation*

*Whereas Southeast Florida Archaeological Society, wishes to express our appreciation to Lucille Rights, for her leadership and support and for the many years of service to our society.*

*Lucille has served as past president of SEFAS and generously supported the many projects and accomplishments of our organization over the last twenty years. We always look to her for her expert knowledge of the history of South Florida, as well as the Prehistoric history of the early people of Florida.*

“A great teacher is a great artist and that there are as few as there are any other great artists. Teaching might be even the greatest of the arts since the medium is the human mind and spirit.”

John Steinbeck

*Now, therefore I, Wilford W. Ghioto serving as President of Southeast Florida Archaeological Society, do hereby proclaim our love, respect and gratitude to Lucille Rights for the great contributions that she has made. She has given us a great appreciation of our history and heritage in this Great Land.*
